

Pirates Take Over Dixie Youth Lead

The Pirates blasted the Mets last week to take over first place in the Dixie Youth League standings. The Pirates led with a 7-1 record, followed by the Mets 7-2, Cardinals 6-3, Yankees 3-5, Astros 3-7 and Tigers 0-6.

LOOK OUT BEAVERS... Lt. John Gargis holds a 3½ foot alligator that will be placed in a private pond in Coffee County to control beavers.

Gator Placed In Local Lake

Alligators, the natural enemy to snakes and small water animals, are now being used to help control beavers in Alabama lakes and rivers. The new practice is being tried in Coffee County.

Gargis stated the Fish and Wildlife Services had been stocking alligators in lakes for years to control beavers; however, only recently has it been used in the local area.

"The gator won't affect the fishing," said Gargis, "but it will eat

young beavers and snakes. An alligator is an asset to a lake."

Gargis stated a 3½ foot alligator trapped in a beaver pond in Houston County would be placed in a private pond in Coffee County to aid in ridding the pond of beavers. The alligator was one of 8 caught in the beaver pond and Gargis said attempts to trap larger gators, some as long as 10 feet, had been unsuccessful. The large alligators had been attacking small calves and will be trapped for removal.

The Pirates rallied to post an exciting 12-6 win over the Astros. The Yanks trailed 2-0 early, but pulled ahead 8-4 in the third and held on for the win.

Derrick Hooks and Tim Tidwell got 2 hits apiece for the Yanks, while Ronnie Edwards hit a home-run. Kevin Matthews got 3 hits, including a home-run, to lead the Astros, while Bill Bennett got 2 hits and also got a home-run.

Elba Packing Co. Set For \$1½ Million Expansion

"You can't afford to be content in this business. If you don't continually improve and expand, the competition will catch you."

Those were the words of Elba Packing Company, Inc., president Everett Kelley last week upon announcing plans to add a two-story 7800-square-foot building to the existing plant facility.

The addition, which will be financed through a \$500,000 bond issue, is expected to be completed in approximately six months. The addition, which will be adjacent to the rear of the building, will include an employee welfare area (showers, dressing rooms, break area, etc.), storage coolers, smoke houses and a sausage processing area. The expanded sausage processing area will increase production capabilities by 10,000-15,000 pounds per day.

"The reason for the expansion," stated Kelley, "was due to the expansion in the territory served along with a need to alleviate crowded conditions. We hope to greatly expand our coverage area

and start selling our 'Kelley's' products in Florida. Plans are also being considered to sell much in the Montgomery area. Depending on the increase in production, we could add 3-10 employees after the construction is completed."

Elba Packing Company, Inc. was established on April 22, 1957, with 10 employees working in a 7000-square-foot plant. A fire completely destroyed the plant in 1962, but it was reopened in mid-1963 and has since grown to a modern 23,000-square-foot facility employing 59 workers.

The plant's "Kelley's" meat products include over 500 items, including 22 different sausages and cold cuts. The local facility is a complete meat packing and processing plant that ships out its products directly to stores.

Company officers are Everett Kelley - president; Dwight Kelley - vice-president, operations; Hollis Kelley - vice-president, livestock buying; Eddie Kelley - secretary; and Jerry Kelley - treasurer.

Bill Dickinson announced plans to seek reelection during a recent swing through Coffee County.

Bill Owens Seeks District 3 Seat On County Commission

Billy Paul "Bill" Owens, a lifelong resident of Coffee County, has qualified to seek the seat of Coffee County commissioner of District Three.

Owens, a 22-year employee of Northrop Worldwide Aircraft Services, Inc., also serves as an SPC in the 191st Maintenance Company, U.S. Army Reserve, and is a member of the Masonic Lodge 170 in Elba. He is a 1956 graduate of Elba High School and is married to the former Merlene Carr of Zion Chapel. They have three children: Lynn Owens Cook - 22; Ken - 20; Krysti - 13; and two grandchildren - Christina and Jimbo.

"I feel the citizens of Coffee County deserve a working, fair and impartial commission which will meet the duties and problems of the county in a unified manner," said Owens. "I realize the commission is considered a part-time job, but I feel sufficient time should be allocated to meet the needs of Coffee County."

"I see a need in the county for a long-range plan to improve our road system, not only the paving of approximately 80 miles of dirt road in each work area, but also the resurfacing and/or maintenance of existing roads of which some are in

poor condition," added Owens. "I do not believe that any county endeavor will be successful without a long-range goal and a dedicated county commission."

"I appeal to the voters of Coffee County," Owens said, "to become involved in county elections. Your support in this election will be sincerely appreciated and with your vote, we win."

Death Claims Elba Banker

Lamar Rainer Jr. died Sunday night following a short illness. He was in a Dothan hospital at the time of his death.

Rainer was a native of Elba and a lifelong resident. At the time of his death he was serving as president of The Peoples Bank, a position he had held since the bank was opened.

He was active in business and civic organizations and was named Man of the Year for Elba in 1978. Mr. Rainer had served on the Elba Industrial Board, Water and Electric Board, Coffee County Cancer Society and as a member of the Coffee

Rep. Dickinson To Seek 11th Term In U.S. Congress

Congressman Bill Dickinson, Second Congressional District of Alabama, announced recently that he is a candidate for re-election. The twenty-year veteran Congressman, who is the ranking Republican member of the powerful 45-member House Armed Services Committee, or chairman if the Republicans win control of the House) said "I consider it a supreme privilege to serve our state and nation as a member of the Alabama Congressional delegation. Now that we are well into the process of rebuilding our national economy, health and our defense posture. It is more important than ever for Alabama to keep a senior, fiscally conservative, national security oriented Congressman in the U.S. House of Representatives."

"During the past three-and-one-half years, I have been a part of the national leadership team, led by President Reagan, which has brought our nation through one of the most amazing economic recoveries in our history. Who would want to go back to what we had in 1980 when inflation was 14 percent, interest rates were 21 percent and unemployment was growing? We have reduced inflation to less than four percent and interest

rates are about half what they were. The nation has produced over five million jobs and the unemployment rate is down to 7.5 percent. We cannot go back to what we had before!" Dickinson asserted.

"I have dedicated myself to those policies and actions which create jobs and put people to work. I am proud that in the past several years I have been able to persuade several major companies to establish plants in our area and that I have conducted several procurement conferences in the district which have led to local firms getting contracts with the federal government and its major prime contractors. These actions have produced jobs and work for our people," Dickinson said.

"I am a firm supporter of a strong farm program and I believe that agriculture is the backbone and foundation of our economy. I maintain close contact with the farm community through individual farmers, farm organizations, and my Agricultural Advisory Board - a group of working farmers from each county in the District which advises me on farm issues," Dickinson said. "I have, and will continue to work hard to maintain the peanut program, and to create overseas markets for peanuts and other farm

commodities and to develop and strengthen export policies and programs for agriculture. I support agricultural research, conservation and lending programs," Dickinson stated.

"I have worked hard to help improve and promote excellence in our schools and have strongly supported programs to assist state and local districts in enhancing quality instruction, particularly in the areas of math, science, foreign language and technology. I have

strongly supported the Impact Aid Program to compensate school districts with the added financial impact of federal presence. I am committed to strengthening public education. Two of my children have been teachers in Alabama public schools and I have been both a member and president of a school board. We should maintain federal support for education programs in a way to help school districts - not tie them up with bureaucratic regulations," Dickinson said.

Frances Trammell To Seek Return To Council In Place 4

Frances S. Trammell, appointed to the Elba City Council in January, 1983, to fill the unexpired term of her late husband, Ray Trammell, has qualified to seek re-election to the Council for Place 4.

Mrs. Trammell has two sons - Ray Jr. of Birmingham and Greg of Dothan, and four grandsons. She was employed for 22½ years at Ft. Rucker as the accounting manager for the Army-Air Force Exchange Service. From 1976-1983 she worked part-time with the City of Elba as Community Development director. She is a member of the First Baptist Church, Three-In-One Study Club, AARP and American Legion Auxiliary, and is also a Pink Lady volunteer at Elba General Hospital. "I have enjoyed being active in the community," said Trammell. "It has kept me active with a purpose and I have enjoyed it very much. If the people choose to elect me to a full

term, I will continue to serve to the best of my ability."

L.M. Burch Is Candidate For Place 4 Council Seat

L.M. Burch, a resident of Elba for over 15 years, has qualified to seek the Place Four seat on the Elba City Council.

Burch has been employed with General Telephone for 20 years and is the president of B&O Janitorial Services, Inc., and L.M. Burch, Inc. He is a former member of the Elba Volunteer Fire Department, and served for three years as an auxiliary member of the Elba Police Department. He is married to the former Mavis Bowden and they have three children: Lawayne - 23; Lavon 21 - and Jason 11.

"If I am elected I will work to keep local business in Elba," said Burch, "as well as work to bring new businesses to town. We can help do this by upgrading and beautifying the downtown area. If we can make Elba a beautiful town, it will attract outside investors."

"The youth of Elba are very important," added Burch. "I like to work with youth and have employed many in my companies. We need to help keep the youth of our town in Elba and give them a chance."

"I promise if elected," said Burch, "to work with the public and

represent the needs of the people. Together we can get things done."

Brainstorms.....

With Ferrin Cox

Interest rates are continuing to rise, much to the distress of people trying to buy or sell homes. Also the stock market has gotten the blips from the increasing cost of borrowing money. However, we predict you need to catch hold, 'cause it will get a lot better before the November elections! We wouldn't dare imply that politics play a large part in such activities - but you just watch.

We received a report recently of a woman catching one of the hybrid bass out of Pea River. Now before all our readers start buying expensive fishing equipment to try their hand at the extremely agile game fish, let us point out that this one was caught with a wiggler while bottom-fishing for catfish. We also got word this week that more of the hybrids had been placed in the river recently. The fisheries folks need to know about the success of people catching these hybrids, so contact them or us if you are lucky enough to catch one.

The stock of Walt Disney has been bouncing around lately, caused by a group buying a lot of stock and announcing they planned to take over the family entertainment company. This caused the price to jump up; but when company management paid them a premium price out of company funds to stop the takeover, this dropped the stock price and prompted several lawsuits. Now fuel has been added to the fire in Congress to control such buy-out deals at stockholder expense. We suggest they look at the law in Canada where any such activity that can be classified as a takeover attempt results in the parties involved having to offer the same deal to all stockholders. That puts a screaming halt to this activity that is called by some "legal blackmail".

Lamar Rainer Jr. died Sunday night following a severe stroke several weeks ago. It is always a shock to see people in their prime have sudden medical problems; and then when it was thought he would be able to return to Elba within a few days, it was a double shock to learn he had died. Mr. Rainer was interested in Elba and will be missed.

Elba Packing Company is planning a half-million-dollar expansion of their local plant in Elba. We salute the Kelley brothers for their faith in the Elba area and take this opportunity to urge our readers to be loyal and buy those Kelley meat products in the grocery store. Not only will you get good groceries, but no firm is more faithful to support community activities than Elba Packing Company... and they can't give if they don't get.

There was a hassle in Alabama a year or so ago to pass a law establishing beer distributor territories. That failed, and now the battle is on a national level. They are using the same old state beer without the exclusive territory. Not being an expert in the area or really caring if it all goes state doesn't prevent us from having a strong opinion on the matter. We feel that if there is a problem with beer going state if bought from someone in the opposite end of the state, the free enterprise system will solve the problem; because no bar owner would want the reputation of selling stale beer and therefore would buy from the man selling the fresh stuff. Consumer advocate Ralph Nader has entered the debate and we find ourselves agreeing with him for once. We read where his group appeared at a Congressional hearing with samples of "old beer" and testified it was as fresh as "new beer", or whatever you call the last brewed. It is all an effort to get the government to guarantee private enterprise a profit.

Faye Cain Hopes Surgery Will Provide Chance To Resume Normal Life

By: FAYE HOLLIDAY

On the night of January 24, 1974, an automobile accident on the Brantley Highway brought about a dramatic change in the life of Faye Cain of Elba. On that night an oncoming car suddenly blinded her, causing her to lose control of the car which subsequently overturned, throwing her out and pinning her underneath. A friend riding with her sensed the impending crash and lay down in the seat. She remained in the car throughout the ordeal, receiving only bruises.

"Someone was right behind me," Faye remembers. "and got to me, and I was taken to Elba General Hospital very soon." Consciousness came and went. She realized right away, however, that she could not move her body. She remembers thinking, "I'll be okay in a little while - this is just a temporary thing."

But the next morning Faye was transferred to Jackson Hospital in Montgomery and put in traction, with a diagnosis of spinal cord injury, due to a broken neck. She was paralyzed from the chest down.

What were her thoughts about being unable to move? "It didn't scare me," she said, "I guess because I didn't know anything about paralysis - I didn't know what to be afraid of."

With one of her doctors saying she would never walk again, and another giving her hopes that she would, Faye had to accept her fate as it now became apparent it would be confinement to a wheelchair, with only the use of her arms and limited use of her hands. "I had to accept my situation," she said, "and I guess I did. I guess I have a lot of patience."

Totally dependent upon others, Faye has an attendant furnished by the State Rehabilitation program, who cares for her each day. She lives with her father, C.B. Cain, of the Basin Community. Her mother was the late Lula Mae Cain.

In the intervening years between 1974 and 1984 Faye heard - and talked with various people - about an operation which gave her hope that

Faye Cain

she might walk again. It's called spinal cord stimulation and is performed by Dr. Joseph M. Walle in the Department of Neurological Surgery at St. Barnabas Hospital, Bronx, New York. The surgery involves implantation of four tiny electrodes around the site of the injury. The electrodes provide stimulation to the spinal cord at multiple levels and varying frequencies. Connected to the electrodes is a small computer worn around the waist, which is constructed with hand-operated controls.

This surgery will cost \$15,000, and Faye estimates that other expenses and accommodations for her attendant will run the amount to \$17,000. She has \$4,000, received from various benefits, private, civic and church donations.

Faye is a Medicare patient, but Medicare will not pay for this operation, since it is entirely elective on the part of the patient.

Anyone - group, club, individual, etc. - desiring to contribute to the Faye Cain Fund may do so through Elba Exchange and The Peoples Bank in Elba, and Opp banks.

TRIBUTE TO THE MEMORY OF LAMAR S. RAINER JR.

By: F.W. Rainer Jr.

This is a tribute to a life - not a death. "Uncle" Punk, as he was dearly known to family and friends, was a man who possessed an immense wealth of talent. He was an accomplished artist, musician and actor. He served on numerous committees related to the arts and humanities and helped to enhance the culture of our community, county and state.

Uncle Punk was also an extremely devoted citizen of our community with a deep rooted love for Elba and its people. He was a very patriotic individual with a deep pride in his country which he developed over the years beginning with his service as a navigator in the Air Force during WW II. This patriotism led to a passion for history which I feel helped stimulate me to pursue the same discipline.

Perhaps my fondest memory of Uncle Punk will be of his love for my children. He was never too busy at the bank or anywhere else to stop and give little Doug a hug and talk to him a few minutes.

Lamar Rainer Jr. will be sorely missed by family and friends and in closing I would like to quote an excerpt from a paper he left to be read upon the event of his death, giving instructions for his funeral. This truly captures the magnitude of a wonderful life: "I would like to have 'America The Beautiful' played or sung at my funeral because I love this country and find it beyond my comprehension that there are so many who are eager for all it gives, yet do not have the same eagerness to defend it and because I love this land - the ground itself and all that grows in it - and will hate to leave it."

LETTER TO THE EDITOR

Mr. Mulaz.

Please allow me to use your column to say a special thank you to the people of Elba. Their hard work and belief in the Chamber made my time as Chamber Director very pleasurable. I was able to measure the memories and the friendship always. My prayer is that the Chamber and the City will continue to grow. If I may be of help to anyone from my new position, please contact me.

Thank you again.
All my love,
Paula Stokes-Mims

ANXIETY

Anxiety is the act of worrying about something that might happen. Someone has done research which shows that 92% of the things we worry about may never come to pass. That's really pathetic, isn't it? All that anxiety going to waste. Where does it get you? Nowhere! It's like pouring sand into your engine. You sputter and pop and fail to function. You can't study, you can't get along with others, you can't finish the job, you can't sleep. Anxiety increases your skin problems and triggers stomachaches and headaches. You name it and anxiety will help it along. It destroys your peace and joy as well as your ability to get things done. You worry about tomorrow. When tomorrow comes, you are so worn out that you are unable to cope with it.

Worry is caused by belief. You act as if God were a liar. You don't trust God to keep His Word. Listen to what He says. . . "Commit everything you do to the Lord, Trust Him to help you do it and He will!"

Bible Verse

For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to God. So then every one of us shall give account of himself to God. ROM. 14:11-12

This is to certify that the following list, as well as can be ascertained, comprises the total names of those eligible to vote in the City Elections on July 10, 1984, and the run-off election, if necessary, on June 30, 1984. If your name appears on the list and you do not reside within the city limits of the City of Elba, then you will not be eligible to vote in the elections. If your name does not appear on the list below and you do reside within the city limits of the City of Elba, and you have maintained your said residency for the preceding thirty days, then you will be eligible to vote in the elections. In the event that you feel that you are a qualified voter and are eligible to vote in the elections, you should come by City Hall during regular business hours on any day, 10 days prior to the elections to certify your eligibility with Joe Ann Wicker.

Domino Tourney
Set For July 9 In
Andalusia

The 9th Annual World Championship Domino Tournament will get underway in Andalusia July 13 with singles and doubles competition. Play will continue at Lurleen B. Wallace State Junior College Gymnasium through July 15. As many as 2000 entrants are expected in the three categories of children (12 and under), teen-agers and adults (20 and up). The youngest player in the tournament's history was four years old and the oldest was 99.

Cash prizes or trophies will be awarded to winners and runners-up in each category. The proceeds from each tournament have been used for various charities in the Andalusia area. The Andalusia Rotary Club has raised more than \$300,000 for various charities since beginning the contest in 1976 with a field of 50 entrants. Last year the club donated funds to Camp ASCS, a crippled children's camp, and to several scholarships.

Today the championship draws more than 1500 spectators to watch the contest and related activities, such as the Miss World Domino Beauty Pageant to be held at the college's Dixon Center July 12. A gospel singing is slated for July 13. To learn more or to enter, contact Dr. Charles Tomberlin, P.O. Box 276, Andalusia, 36420, or call 205-222-5673.

"Reaching For New Horizons"

By S.S. Belcher

Topic for the Week:
LOVE - FAMILY STYLE
Dedicated to Evelyn Belcher and Bobby Gulley, and Falisha Robinson and Adriel Bilal.

You possess all the qualities of love in great quantity. Devotion to each other and old-fashioned ideas about family strengths will help marriage survive major crises.

Much love and faith in the strength of family love between a young couple is what keeps problems from becoming difficult and serious. Couples who marry young sometimes wonder if they've missed out on something special around the corner.

As time passes you'll realize that love and marriage and family are more important than trying to find out if you've missed out. It takes a lot of love to make a marriage, but it also takes morality and principles and respect for each other. It takes trust, too.

Continue to love one another. Whatever you do, strive to do it so well that no man living and no man dead and no man yet to be born could do it any better.

Strive for Excellence.
—Dr. Benjamin E. Mays

Scripture for the Week:
And whatsoever you do, do it heartily, as to the Lord, and NOT unto men; knowing that of the Lord you shall receive the reward of the inheritance; for ye serve the Lord Christ.
Col. 3:23-24

Did something good happen to you recently? Did you attend a special event? Did you have guests for the weekend? How about sharing your good news with the community — let me know about it.

Happy birthday to Onnie Bell Daniels and Ethel Horstead. Very special congratulations to Evelyn (Flip) Belcher and Bobby Gulley, and Falisha Robinson and Adriel Bilal on their forthcoming marriages.

I forgot last Sunday was Father's Day, so to ALL fathers - Happy belated Father's Day. Here's a special poem I gave my husband - I'd like to share it with the young fathers.

There's a wide-eyed little fellow Who believes you're always right, And his ears are always open, And he watches day and night.

You're setting an example He holds that all you say and do, For the little boy who's waiting To grow up to be like you.

TO ANY LITTLE BOY'S FATHER

There are little eyes upon you And they're watching night and day. There are little ears that quickly Take in every word you say.

There are little hands all eager To do everything you do, And a little boy who's dreaming

Of the day he'll be like you.

Cubs And Webelos Enjoy Week At Camp Alaflo

Nineteen Cub Scouts and Webelos from Pack 47 had a great week at Camp Alaflo Day Camp June 11-15. Theme for the week was "Carnival Capers", with the staff creating a carnival atmosphere throughout the week. The boys participated in circus-related activities each day, with daily themes as follows:

Monday - Clown Day
Tuesday - Strong Man Day
Wednesday - Animal Day
Thursday - Magic Day
Friday - Carnival Day

Fun-filled and exciting activities in which the boys participated included swimming, handicrafts, fishing, hiking, nature studies, sports and games, BB marksmanship, archery and first aid. These activities enabled the boys to work toward advancement in the Scout program.

The Webelos participated in a greater range of activities including aquatic games and sports, cooking, pioneering, orienteering, knots and a campfire program. The Webelos practiced these activities Wednesday and Thursday nights and late afternoons, as they stayed overnight Wednesday and Thursday.

One hundred sixty boys from Ozark, Troy, Brundage, Eufaula, Enterprise, Dothan and Elba registered at the camp. They were assigned to Cub Scout dens and four Webelos groups, with these groups competing in daily activities. The two Elba groups brought home top honors, with the Cub Scouts receiving the "Top Clown Staff award" on Wednesday and the Webelos receiving the same award on Thursday. For receiving these honors, the boys conducted the opening and closing ceremonies Thursday and Friday.

The Webelos also received other awards, including clean den area, for two days, the spirit banner and "You Win My Heart" award. The Cub Scouts received "You Win My Heart" award two days, the uniform award two days, the spirit award, and the "helping hand" award.

Parents joined their sons for lunch Friday and participated in the activities, and as a special treat, a carnival "Parade of Stars" was presented, including a sharpshooter, Wonder Dog, a magician, karate experts, wrestlers, Waterworld's Aquaduck, and a snake demonstration by two gasp-inducing snakes. Also enjoyed games and refreshments of hot dogs, popcorn, cotton candy and soft drinks.

Following the carnival the day camp officially closed with the awards and closing ceremonies and the launching of balloons.

Scouts again brought home top awards. In Webelos 4 Robin Stinson won the Sports award, Hayden Young the Archery, Tracey King the B.B. In Den 9 Jason Burch won the Sports award, and Kyle Padgett the B.B. and Archery award. The overall camp award of the blue ribbon for the B.B. contest, and Robin Stinson received the blue ribbon for sports.

Boys attending camp included Robin Stinson, Tracey King, Chad Blasi, Hayden Young, Will Moore, Todd McCall, Brent Goodson, Chris Parrish, Kyle Padgett, Lance McCollough, Alan Robinson, Jason Burch, Brett Bimbo, Rex Ogas, Kevin Brian, Eric Simmons, Daniel
